

# ESSENTIAL FOOD TRANSPORT SOLUTIONS

**WORKPLACE  
ESSENTIALS**

**LIGHTWEIGHT  
PROFESSIONAL FOOD  
DELIVERY BAGS**

Long lasting lightweight transport solutions designed especially for professional food delivery - hot and cold applications.

# PROSERVE® PROFESSIONAL

## DELIVERY BAGS

Designed especially for professional food delivery: hot and cold applications.

- Nylon construction for years of performance
- 2cm of polyester insulation for maximum thermal performance and no moisture or odour retention

# PROSERVE® LIGHTWEIGHT

## INSULATED CARRIERS

Four layers of thermal retention provide lightweight option for safely transporting food and beverages.

- PROSERVE® carriers are between 36 and 72% lighter than traditional rigid competitive products
- Time temperature monitoring and labelling is easy with large identification window secured to each carrier
