

Waste & Washroom

ARCHITECTURAL SOLUTIONS

For over 50 years, Rubbermaid Commercial Products® (RCP) has pioneered world-class solutions engineered with durable, high-performance materials. Built to last longer, stay stronger, clean deeper, work harder, and help keep people safer, our products are designed to perform in the world's toughest environments.

We are proud to be a global leader, trusted partner, and pioneer of professional-grade refuse and washroom solutions that simply work better than the rest.

Designed to Stand the
Test of Time.

Our waste and recycling container solutions offer a wide range of aesthetic options designed to complement virtually any commercial environment and help bring your vision to life. Every product reflects the craftsmanship, durability, and innovative design expected from RCP, and is developed to meet the highest standards for fit, finish, and feel.

RCP's comprehensive washroom solutions are designed to enhance restroom environments with sleek, efficient functionality. From skin care and air care to fixtures, surface care, and accessories, our portfolio delivers the finishing touches needed to create a clean, elevated washroom experience.

Fragrance That Lasts. Design That Cares.
CirculAir 90™ Fragrance Refills provide continuous freshness for commercial environments in a simple, passive system that requires no batteries or electricity. Long-lasting and recyclable, each refill is designed to deliver reliable odor control while helping to reduce waste.

The AutoFoam Dispenser with LumeCel™ Technology is a touch-free dispenser that automatically delivers controlled amounts of soap or sanitizer to help reduce cross-contamination. Powered by indoor light, LumeCel technology eliminates the need for alkaline batteries.

2080802

F6750112

1980826

AUTOFOAM

Touch-Free delivery dispenses soap automatically to help prevent cross-contamination.

- LumeCel technology efficiently powers dispensers, using only indoor light.
- No alkaline batteries required, eliminating the task of replacing batteries.
- High-capacity refills help reduce labor and soap costs.

OneShot® Soap and Lotion dispensers mount flush with the counter to maintain the clean look of your washroom, with motion-activated sensors that dispense soap automatically to reduce cross-contamination.

The AutoFaucet is a user-friendly, automatic faucet that utilizes Surround Sensor™ Technology to dispense water only when needed.

AUTOFAUCET®

Surround Sensor™ Technology creates an omnidirectional sensing zone that guarantees activation every time.

- Dry Cam-Gear Technology controls the water flow, ensures worry-free operation, and eliminates solenoid valves to prevent costly repairs.
- Complementary design pairs well with the RCP OneShot soap dispenser.

AUTOFAUCET

TYPE	NO.	DESCRIPTION	COLOR	CASE PACK
SINGLE HOLE MOUNTS	1782742	AUTOFAUCET - MILANO - MIXING VALVE	POLISHED CHROME	1
	1818966	AUTOFAUCET - MILANO - THERMOSTATIC MIXING VALVE	POLISHED CHROME	1
4" CENTER SETS	1782743	AUTOFAUCET - MILANO - MIXING VALVE	POLISHED CHROME	1
	1818967	AUTOFAUCET - MILANO - THERMOSTATIC MIXING VALVE	POLISHED CHROME	1
8" CENTER SETS	1782744	AUTOFAUCET - MILANO - MIXING VALVE	POLISHED CHROME	1
	1818968	AUTOFAUCET - MILANO - THERMOSTATIC MIXING VALVE	POLISHED CHROME	1

ALL FAUCETS ARE LOW LEAD COMPLIANT AND COME WITH A 0.5 GPM AERATOR.
FLOW CONTROL AERATORS THAT DELIVER 1.0 GPM, 2.0 GPM, OR 2.2 GPM CAN BE PURCHASED SEPARATELY.

AUTOFLUSH®

FG401187A

- Remove and replace current flush handle to automate existing system.
- Combines an angled-lens design with advanced sensor technology that activates even when the toilet seat is raised.
 - Dry Cam-Gear Technology controls the water flow, ensures worry-free operation, and eliminates solenoid valves to prevent costly repairs.

FG401805A

- Retrofit Solution slides over flush handle to automate existing system.
- Combines an angled-lens design with advanced sensor technology that activates even when the toilet seat is raised.
 - Dry Cam-Gear Technology controls the water flow, ensures worry-free operation, and eliminates solenoid valves to prevent costly repairs.

Available in sidemount or clamp styles, AutoFlush is a touch-free, sensor-activated system that eliminates the potential for cross-contamination and promotes good hygiene.

Space-saving, easy-to-service options for additional sanitation in the washroom.

FG402310

CLEAN SEAT

- Conveniently dispense cleaning solution on bath tissue and wipe down surfaces.
- Contains antimicrobial material that helps to inhibit the growth of bacteria on the pushbar.
 - Viewing window allows maintenance staff to monitor for when refills need to be replaced.

FG614000WHT

SANITARY BIN

- Tight-sealing lid helps contain odors.
- Rigid removable liner helps keep bin dry and makes bag maintenance easier.
 - Disposable bags allow for convenient removal of waste.
