

# COMPOST BINS

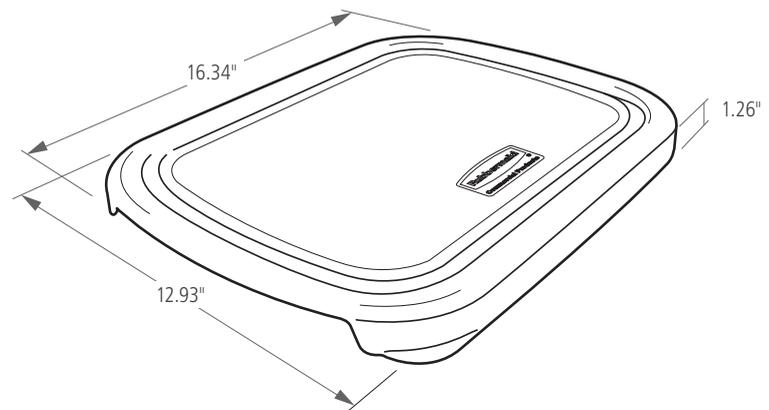

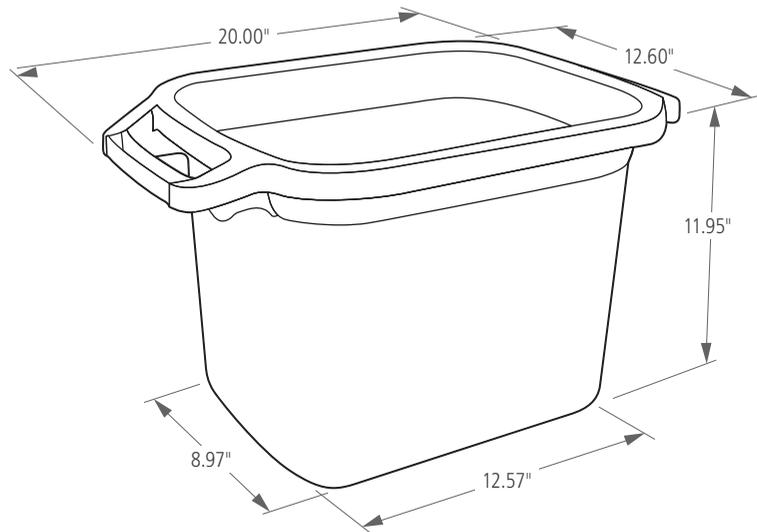

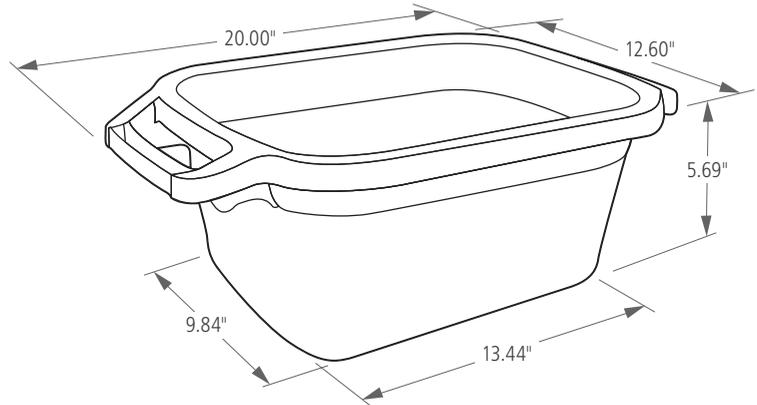

The new Rubbermaid Commercial Products Compost Bins are designed to enable compliance with growing organic waste regulations.

## Features and Benefits:

- Purpose-built to fit seamlessly into existing kitchen workflow.
- Color-coded bins and permanent labels create long-lasting visual cues for effective composting.
- Hold less than 50lbs of compost, a safe weight determined by OSHA standards.
- Designed with easy-to-clean contours; NSF Standards 2 & 21 certified.
- Fit on top of the counter for easy access and nest for compact storage.
- Reinforced handles are built to last in demanding commercial environments.
- Commercial dishwasher- and freezer-safe.

2 & 21 Compliant
