

Elevate™ containers offer classic, timeless designs that will transform your space and enhance the overall guest experience, without breaking your budget.

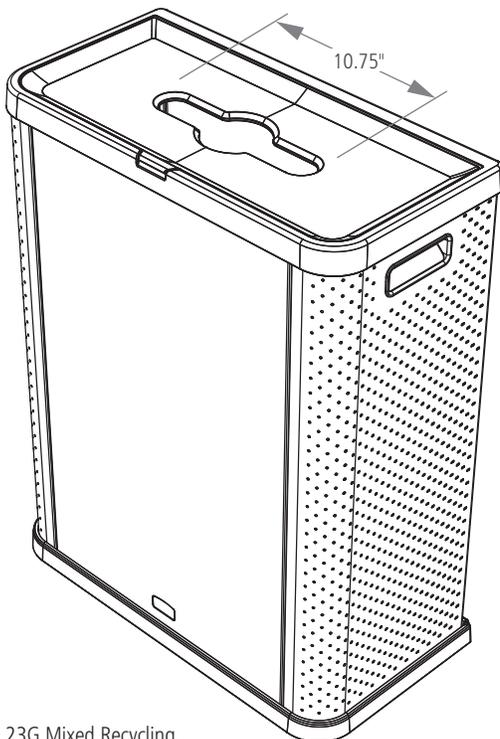

Features and Benefits:

- Three-sided metal container transforms functional, resin Slim Jim containers into streamlined, decorative pieces.
- Use as a three-sided cover or as a standalone container against a wall with retainer bands to secure interior liners.
- Classic, functional design is built to withstand the rigors of everyday commercial use.
- Smooth powder-coat finish easily blends into any existing environment.
