

# WORK SMARTER FASTER & SAFER.

TRANSPORT  
MATERIALS AND  
SUPPLIES SECURELY  
IN A RANGE OF  
ENVIRONMENTS.

#### INCREASED WEIGHT CAPACITY

Means fewer trips, improving productivity for more efficient transportation per 136kg payload.

#### ERGONOMIC

Rounded handles are conveniently located on each end of the cart, maintaining ideal handle/wrist positioning to reduce muscle strain.

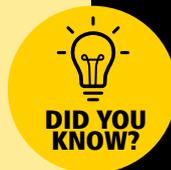

#### DURABLE

Moulded shelves won't rust, dent, chip, or peel.

#### MANOEUVRABILITY

The compact size enhances manoeuvrability. Designed with non-marking swivel casters for smooth movement.

**CAN HOLD UP TO  
136KG CAPACITY.**

### QUIET

Casters and plastic construction help to reduce noise, ensuring the cart blends into the background of its environment.

### EASY TO CLEAN

Designed with smooth surfaces, keeping your business looking smart for many years.

### COLOURS

### QUALITY - DURABLE

Reinforced shelves and metal uprights offer superior stability.
