

# HEAVY-DUTY ADAPTABLE CART

**UTILITY CARTS CARRY SUPPLIES OF ALL SHAPES AND SIZES.** Being able to easily organize items and use the cart as a work station helps workers prepare for and complete the job. The new Heavy-Duty Adaptable Cart from Rubbermaid Commercial Products provides superior versatility for tackling whatever task is at hand.

## BUILT TO ADAPT TO YOUR NEEDS

The new Heavy-Duty Adaptable Cart reduces the need for time-consuming user modifications, with a variety of integrated features that make the job easier.

## ERGONOMIC COMFORT

Variable grip handle provides superior control and maneuverability.

## HANDLES ANY JOB

### ADJUSTS TO 4 POSITIONS

Variety of positions to accommodate users of all heights for improved control and comfort.

### UNOBSTRUCTED SURFACE

Placing the handle in the flat or down position makes moving oversized items easier.

### COMPACT STORAGE

Handle can rotate to be flush against the cart for easy storage.

## MAKE THE MOST OF YOUR CART

Utilize all areas of the cart for a multi-use workstation.

## MOBILE WORK SOLUTIONS

### SAVE TIME

#### FLIP-UP SHELF

Eliminates the need to clear top shelf contents for work space. Perfect for laptop use or small part assembly.

#### CONVERTIBLE TOP SHELF

Supports 1/2" piece of plywood to adapt top shelf into flat work surface for larger items and tasks.

#### PIPE CUTTING NOTCH

Prevents pipe or conduit from rolling when cutting. For additional security, place clamp through the larger slot.

## INCREASED ACCESSIBILITY

Quickly locate everything needed for the job.

## BUILT-IN ORGANIZATION

### SLOTS AROUND RIM

Accommodate small hand tools like wrenches, pliers, or screwdrivers for quick, easy access.

### SMALL PART AND TOOL STORAGE

Keep hardware and tools organized for quick retrieval. Tablet and cup holder also included.

### SNAP-IN HOOKS

Keep tools within reach with multiple slot locations along the rim.

## SAFE AND SECURE

Utilize features to stabilize your load on the move or while working.

## SECURE THE CART AND ITS CONTENTS

### LOCKING CASTERS

Stabilize the cart when used as a work surface or when stopped on uneven surfaces.

### WIRE SPOOL STORAGE

Holes in the legs of the cart provide easy storage for wire spools and other rolled goods.

### TIE-DOWN LOCATIONS

Easily attach bungee cords or ratchet straps for increased load security, safety, and damage prevention.

**DESIGNED FOR PROFESSIONALS,** RCP's resilient products deliver superior ergonomics, organization, reliability, and maneuverability for turning any job into a more efficient one.

SIZES AVAILABLE:

Pneumatic casters handle the heaviest loads while providing a cushioned and quiet ride for more fragile items. Ideal for virtually all surfaces from concrete to gravel, inside and out.

Optional extension drawer can be added under the top shelf for additional storage of small parts and tools.

TPR casters absorb shock and provide floor surface protection and quiet operation. Excellent on linoleum, tile, terrazzo, wood, smooth concrete, and carpet.
