SMART DESIGN. TRUSTED EXPERIENCE.

EXECUTIVE SERIES MATERIAL HANDLING FEATURES

Upgraded ergonomic design and innovative features provide superior Material Handling solutions.

Quiet Casters and Wheels

Super-quiet ball-bearing wheels and casters roll smoother for reduced noise and easy operation.

Discreet Covers and Lids

Our advanced carts and trucks feature covers and lids to conceal contents and keep waste and soiled linens out of sight.

Durable Constructed Materials

Made with durable, rust-resistant materials, including powder-coated stainless steel, structural foam, and tough rotomolded plastic, Rubbermaid products are designed to stand up to harsh conditions.

CARTS AND TRUCKS FOR FRONT OF HOUSE

In your world, image makes all the difference.

Sophisticated, versatile equipment you can rely on for efficient performance without compromising image is essential. Our front-of-house carts are thoughtfully designed to operate easily, quietly, and discreetly, including our new innovative X-Cart system:

- **EASY-TO-MANEUVER** systems that efficiently transport large, bulky loads up to 8 Bushels (220 lbs)
- **COLLAPSIBLE** and compact footprint for convenient storage
- **DURABLE**, long-lasting, vinyl bag with smooth surface allows for easy cleaning. Discreet color disguises stains and dirt
- **MULTIPLE SIZES** of our foldable basket X-Carts are available (4 Bushel, 1881749; 8 Bushel, 1881750; and 8-Bushel Multistream, 1881781)

Minimize Storage Footprint

Compact, collapsible frame reduces width by 75% to enable efficient storage.

Versatile Executive Service Carts

Generous top-shelf capacity, ergonomic handles, and wraparound end panels are ideal for front- and back-of-house use (FG9T6800BLA).

COLOR-CODED TABS

Organize your linen and/or waste collection. Select the color you wish to assign for the job and simply trim off the other three tabs.

PREMIUM QUIET CASTERS

Casters swivel for superior maneuverability, while bumper guards add extra protection during transport.

1881781 Executive 8-Bushel Foldable Multistream X-Cart

Empower your workforce with our durable, back-of-house carts and trucks that are versatile enough to safely perform a variety of tough jobs, yet strong enough to take on heavy loads. Quiet casters and wheels, plus an attractive color scheme mean these carts and trucks work well for front-of-house needs, too.

- **DURABLE**, heavy-duty construction with high weight load capacities enhances productivity
- **IDEAL ERGONOMIC PUSH HEIGHT** and comfort-grip handles enhance control and maneuverability
- **SEAMLESS BODY DESIGN** allows for easy cleaning and promotes a more discreet appearance in public areas
- **TRUCKS LIDS** allow for concealed waste and reduced odors. Available for Tilt Trucks (½-yd³; FG9T2200BLA, ¾-yd³; FG102800BLA, and 1-yd³; FG9T2300BLA), Mega Brute® (FG9W7200BLA) and Cube Trucks (12 ft³; FG461300BLA and 16 ft³; FG461500BLA).
