

BRUTE[®]

STEP RIGHT UP 

TO GET THINGS DONE FASTER

SINCE 1968, BRUTE CONTAINERS have been trusted by professionals for their iconic durability and reliability. The same durability and reliability that have made BRUTE containers the industry's workhorse have also been built into our newest innovation, the BRUTE Step-On Rollout.

The BRUTE Rollout has a step-on mechanism that lifts the lid, allowing for hands-free operation that makes your job easier, every day. BRUTE Rollouts are available in a variety of sizes, styles, and colors to ensure you'll find the optimal solution for any facility need.

HANDS-FREE LID OPERATION

DESIGNED TO HELP PROMOTE PRODUCTIVITY With just a step, the pedal lifts the lid, eliminating the need to keep one hand free to hold the lid open.

EASY TO MOVE

DEPENDABLE SWIVEL CASTERS

Swivel casters at the front of the container distribute weight evenly and allow for more controlled use.

ERGONOMIC REAR HANDLE

Designed for comfortable push or pull operation.

SECURE LID POSITIONING

Rollout lids open fully and stay in place to prevent swinging during transport.

IMPROVED MANEUVERABILITY. The newest addition to the BRUTE family of products is designed with features that help make moving facility waste easier.

FIT FOR FACILITY USE

COMPLIANT WITH AUTO-LIFTERS

Meets ANSI Z245.60 (Types B and G) for compatibility with auto-lifters.

EASY TO CLEAN

Smooth contours and seamless construction help make cleaning easier.

ROBUST WHEELS

Heavy-duty wheels with high-performance treads are optimized for use indoors and outdoors.

DESIGNED SPECIFICALLY FOR FACILITY USE. The BRUTE Rollout can be used throughout commercial environments to allow for easier collection and management of facility waste.

ICONIC DURABILITY

COMMERCIAL-GRADE CONSTRUCTION

High-quality materials plus a UV inhibitor enables use both indoors and outdoors.

TOUGH RIM AND LID STRUCTURE

Reinforced rim for superior structural integrity and robust lid designed for added strength.

EXTREME TEMPERATURES

Designed to maintain performance at freezing temperatures as low as 0° F.

BUILT UPON THE DURABILITY LEGACY OF BRUTE.

The BRUTE Rollout is constructed with high-quality commercial-grade materials to withstand extreme temperatures and perform reliably in the most challenging environments.
